

Since a day or two

Kate: I play guitar

Cath: That's cool

Kate: Yes. And I can do that very well. Cath: Are you taking lessons then?

Kate: Sure!

Cath: Can I hear something then?

Kate: Ehh, I don't know yet

Kath: why don't you know?

Kate: I may have exaggerated a bit

Cath: So what have you learned so far?

Kate: How to hold the guitar

Cath: And you can do that very well

Cath: How long have you been playing?

Kate: since two days
