

Radar: I read a book yesterday. It was so exciting

Cath: Really?

Radar: Haven't you read that book yet?

Cath: Which book?

Radar: That book with that creepy man

Cath: What creepy man?

Radar: That was such a scary book. And it went on and on.

Just when you thought for a moment: now I can take a breath. Relax for a while. Read quietly. Drink a sip of coke, eat a chippie.

BOOM!!!! There he was again. That creepy guy

Cath: What's his name? Of that scary man

Radar: I don't know. But crazy that he got. It went on and on. Not normal. Shaking hands. And then suddenly .

A sound

A fart.....

I couldn't stop laughing

Never laughed so hard
